

## Table B2. - Land Capability and Yields per Acre of Crops and Pasture

Tazewell County, Virginia

Yields are those that can be expected under a high level of management. They are for nonirrigated areas. Absence of a yield indicates that the soil is not suited to the crop or the crop generally is not grown on the soil.

Map Symbol and Soil Name	Land Capability	Alfalfa Hay	Grass-Legume Hay	Oats	Orchardgrass- Alfalfa Hay	Pasture
